| 5.7 | Students feedback on Institutional governance / Faculty performance | Process implemented. |
|-----|---|----------------------|

Periodical feedback is obtained from the students to enhance the teaching learning process. The feedback collection process involves following steps:

- ✓ The students are given a questionnaire of 10 questions concerning the faculty who are dealing with theory papers.
- ✓ The questionnaire is designed to enable them to give their opinion as Extra ordinary (5) Excellent (4), Very Good(3), Satisfactory(2) or Poor(1).
- ✓ The students enter marks as their opinion. □ The students are also allowed to write some comments if they want to make about the teacher or Department.
- ✓ The feedback collected from the students are first analyzed at HOD level and then at the level of faculty appraisal committee, headed by the Chairman of the institute and Principal.
- ✓ The average marks are calculated.
- ✓ The average marks below 35 are supposed to be poor performance.
- ✓ Also the comments passed or poor marks for certain question in the questionnaire is observed.
- ✓ The contents of the feedback are shared with each faculty member individually.
- ✓ The feedback system works as an eye opener for the faculty.
- ✓ Feedback activity is usually carried after 1st unit test in each semester.
- ✓ Above 50 % students from the class participate in feedback process.
